Teachers in the Spotlight
Throughout the school year, we ask our CAVA families and students to help recognize our Middle School Teachers. Based on feedback from our school staff and families, we will celebrate our Campus 1 teachers for all of the wonderful things they do! Please complete the survey to give your teacher a ‘shout-out’. Our teachers will love seeing what you all have to say about them! The survey will remain open all year, so please keep the survey link handy.
