Dear CAVA Middle School Families,

Welcome to a new school year! I am excited that you have chosen the California Virtual Academies (CAVA) for your family and I look forward to an exciting year of learning and growing with all of you. My name is Shannon Jackson and I am the Principal that works with the Middle School students in Campus 3, primarily CAVA @ Los Angeles and CAVA @ San Diego.

During the 2019-2020 school year, I will be working collaboratively with your child's teacher, their Lead and our CAVA Administration Team to ensure a successful school year for each of our students and their families. Our motto at CAVA is DREAM... Our learners are Determined, Responsible, Engaged, Ambitious and Motivated. As we begin the new year, we will continue to build upon a foundation of hard work and excellence in education by providing each student with individualized, engaging and meaningful instruction in our classrooms, along with some fun all school outings, events and assemblies! Additionally, I look forward to your student participating in some of our extra-curricular activities, including National Junior Honor Society, History Bee, Spelling Bee and Student Government.

In Middle School, our mission is to encourage and support each child on their individual, educational journey. Our teachers provide each of our students with an Individualized Learning Plan to ensure each student’s academic growth. We strive to help our students develop lifelong learning skills while becoming well-rounded, well-grounded, global citizens who perform to their potential and achieve educational greatness. Our teachers are dedicated to supporting you and your child, as your family embarks on this educational journey.

As we begin our new school year, you will need to read and review some very important documents. Please also be on the look-out for information regarding our Back-To-School Packet and our Parent/Student Handbook. These documents will be available to you via our Parent Portal on School Pathways.

Thank you for your commitment to your child’s education. I understand and appreciate the time, energy, support and enthusiasm it takes to ensure academic excellence for your child.

In Campus 3, we DREAM BIG!

Have a wonderful school year,

Shannon Jackson
Principal
Middle School - Campus 3
